Herd Federally Accredited

Harry Hopley, Atlantic, Iowa

The Announcement

The dispersion of my herd at this time is to me a sincere regret. The expansion of my steer feeding operations make it expedient for me to make this decision.

I don't think that anyone who has followed the development of my herd will dispute my assertion when I say that in Browndale Goldspur I am selling the best Breeding Shorthorn Bull in America today. His sons and daughters that go into this sale are the equal of any cattle that are being produced anywhere.

I have not gone into any detail in writing footnotes on any of these cattle. As I feel that those in attendance sale day will be the appraisers and tell me what this herd is worth. The young bulls in this sale are in my opinion the best lot of bulls that has ever been produced on my farm. All good colors out of dams that produce the right type.

The breeding herd has gone through a rigid culling twice a year. Only those that met my requirements were kept in the herd. Anything that is the least doubtful as to its breeding usefulness has been shipped.

I extend a cordial invitation to all breeders of Shorthorn cattle to attend this sale and take advantage of the work I have done in building this herd to its present standard. It is my hope that the distribution of my herd will be for the betterment of the Shorthorn Breed. As I firmly believe that those who buy will benefit most by this transaction.

Cordially yours,

HARRY HOPLEY.

THE dispersion sale of the Hopley Farms herd of Shorthorn Cattle, marks the passing into other hands of one of the truly great herds of cattle on this continent. Harry Hopley deserves the keenest appreciation of his fellow breeders for the great work he has accomplished through this herd for the advancement of Shorthorn cattle.

Built on a foundation of the very best material from the standpoints of both individuality and blood lines. Headed always by sires of outstanding merit. The herd has never faltered in its progress. The result today is a great lot of breeding cattle and their young off-spring both bulls and heifers. Sired by the great International Grand Champion Browndale Goldspur. A bull that in the minds of the majority is the best breeding bull in America today.

As a breeder, a showman and a man among men he leaves the breed richer in many respects than when he entered its ranks. He is selling a working proven herd. Every animal entitled to go on and produce good results in the hands of new owners. Fortunate will be the men that sit at this ringside and select from this herd for they will be buying at their own price cattle about whose breeding worth there can be no possible doubt.

Whatever your needs may be, whether show cattle foundation matrons, proven sires or great sires in prospect, this sale unquestionably offers the opportunity of a lifetime.

Signed—F. W. HARDING.

THE passing of the Hopley herd marks an epoch in Shorthorn history, because it is, and has been, regarded as one of the greatest herds in this country. Here is a herd that has bred its show cattle and has shown its breeding cattle, and they have been consistent winners at the various State fairs and the International during the past twenty years. A number of celebrated sires have done service at the head of this herd, notably Village Beau and Browndale Goldspur. Village Beau was probably the first bull that brought this herd into public notice. For many years his get were prominent winners in the leading shows in this country and his sons headed many of the best herds in America. His daughters were always sought after by the best breeders in founding a herd. Later on that noted show and breeding bull Browndale Goldspur came into the herd, and he has made an enviable record as a show winner and a sire. He stands today, the best living son of Browndale Count, and unquestionably the greatest sire of this generation. His get have won in every show ring, and are in demand by the leading breeders of this country. There will be quite a number of young bulls in this sale sired by him, and there will be 25 cows with calves by him, and 34 daughters of his selling in this sale. Many of the cows are rebred to this great sire.

I have known this herd since it was founded, and have watched its every progress until it became one of the greatest herds in this country, and I can truthfully say to breeders who are thinking of founding a herd, or to those who want to add something to a herd already started, that here is one of the greatest opportunities to buy strictly first class, well bred Shorthorns.

I will say further that I have never before seen a better time to lay in a few foundation cattle than right now. Cattle prices are going up one of these days, and the breeder that buys now will be the gainer. So do not wait, but make it a point to attend this great dispersion sale, and purchase some of the very best Shorthorns that will pass through any herd in this generation.

M. T. WHITE,
Representing Wallace Farmer
and Iowa Homestead.

ONLY once in the experience of the average breeder does such an opportunity come to secure breeding units that will improve the character and prestige of his herd as will be offered by the dispersal of this great herd. No bull has been offered for sale by auction that has been as desirable to put at the head of a herd as is Browndale Goldspur. No other International grand champion has proved to be as good a sire as he. When he won that great honor he was the universal choice for the position. His calves have won high honors wherever shown and they in turn have been great breeders. Every son of Browndale Goldspur that has been used has been and is a successful sire. What other bull has made such a record?

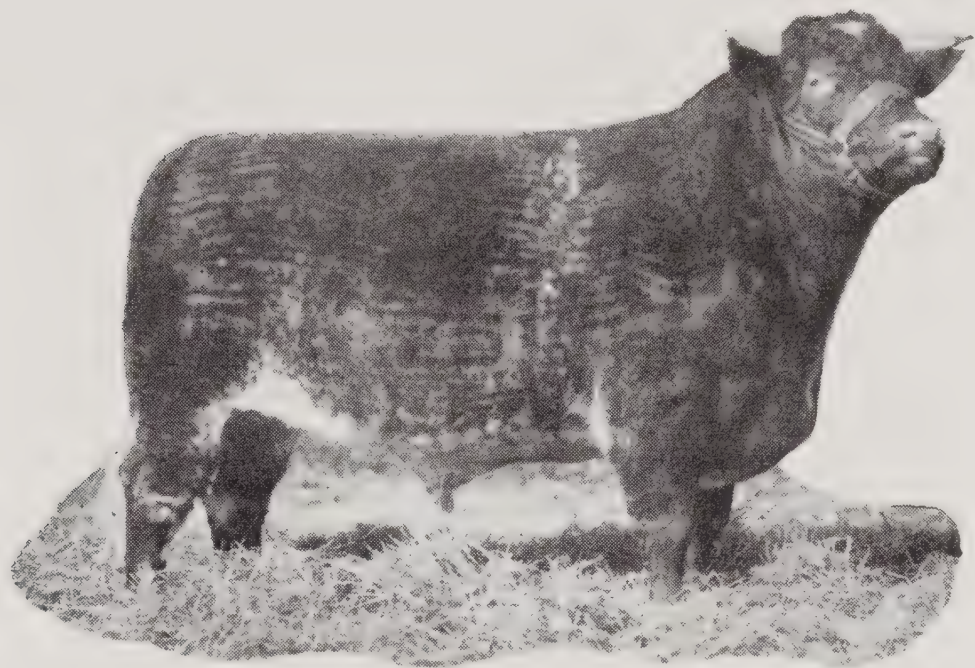

Browndale Goldspur is just past six years of age. He looks like a two-year-old. He should be good for many years of active service. He is the best bull and most valuable sire that can be purchased today. If this were not a dispersal sale he would not be offered for sale at any price. One of his sons was the junior champion of the International of 1931. There are sons that will be in this sale that are as good as that one was at the time he won that championship. The greatest merit of these sons is that every one of them develops into an impressive and improving sire.

Browndale Goldspur is a great sire not only of bulls. His daughters are as attractive, as typey, as full of breed character and possess as much breed quality as his sons. And they also breed on. And to top it all off both sons and daughters have the colors that are most desirable in Shorthorns, a great proportion of them being rich reds and pleasing roans.

The cows of this herd are the sort that one might expect to be owned by such a man as Harry Hopley, a thorough cattleman, a great judge of cattle as well as of the real worth of a pedigree.

Those who buy at this sale are assured of getting great value for their money. Shorthorns are on a rising market. It is such Shorthorns as these that rise to the highest peaks. Take advantage of this unusual opportunity.

WILL JOHNSON of the Shorthorn World.
